

BATOCHÉ TAKEN.

The Half-Breeds Scattered on Plains.

Desperate Fighting, and Brave Conduct of the Volunteers.

WINNIPEG, May 10.—Gabriel Dumont's house near camp was burned Friday by order of Gen. Middleton.

A French half breed named Lotte who escaped from Riel's camp came into our lines on Friday. He states that there were only 46 half breeds in the fight at Fish Creek with a number of Indians, perhaps 100 in all.

Lotte further says that after the Fish Creek fight the rebels wanted to kill their prisoners of hand, but Riel forbade them. Finally the rebel leader found it necessary to secrete the prisoners in a cellar. The half breeds are fairly well armed with rifles and shot guns, but the shot guns, by the Indians have every kind of weapon, including rifles, shot guns, bow and arrows, clubs, swords, tomahawks and axes.

In addition to the casualties mentioned in a previous despatch Col. Straubenzie, who was in command of the reserves, seriously strained an ankle by stepping in a hole.

CLARKE'S CROSSING, May 10.—Wm. Bruce, another prisoner escaped from Riel, has been brought in. He corroborates Lotte's story, and says Riel's force comprises about 500, half of whom, however, are on the other side of the river and he thinks will make toward Grand-Maitland.

BATOCHÉ CROSSING, May 9, via Clarke's Crossing, May 10.—We have had a warm day's work, but it has been devoted mainly to fighting the rebel skirmishers, who were active in the morning, but fell back gradually to fall back. We struck tents at six o'clock in the morning, leaving all supplies and stores behind in charge of a few from each detachment and the teamers, all of whom were well armed.

All at once on the still air broke the sound of the steamer's whistle screaming without ceasing, and then we heard firing and knew we were in it for it. We responded with a signal and quick march was the order.

The scouts and the Gatling pushed forward with all possible speed until they came upon a couple of houses near the bank of the river, which is very precipitous at this point. A party of rebels who had been firing at the Northcoats were here seen. They turned upon our advance, fired, and fled, seeking shelter behind a house in a hollow.

The following correspondence passed between Middleton and Riel: Riel, first, sent in a white flag, carried by a prisoner named Astley. "If you do not cease firing on houses, thereby injuring our families we will massacre prisoners, commencing on Indian agent Lash."

Middleton answered: "Let me know where your women and children are and we will not fire on them." Riel replied, thanking for the courtesy, but subsequently, as our troops rushed forward in attack, he panicked on an envelope as follows: "I don't like war, but I have concluded to massacre the prisoners."

But before he had time to go through the programme, our boys were on them, and the prisoners were released.

The advance was a gallant affair, the rebel's loss must be very heavy. Twelve breeds have been seen dead already. The wounded bred brought in just now is Ambrose Jodin, a member of Riel's Council.

Goderich Township. Holmesville, May 24, 1885. Council met today pursuant to adjournment, members all present. The minutes of last meeting read and passed.

By-law No. 3, relating to dogs assessed, and by-law No. 4, relating to wire fences were read and passed. Pathmasters will observe by a printed slip which will be sent with their lists, that it is now made imperative on them to have Canada thistles and all noxious weeds growing on leading roads, concessions and side lines cut at the proper time, the work to be performed as part of ordinary statute labor; neglect to do so, subjects them to a fine of not less than ten nor more than twenty dollars each. No pathmaster is to use lakshore gravel for making or repairing roads. Moved by J. H. Elliott, seconded by J. Lathrop, that the petition of Charles Naftel and others regarding Mr. Bray indigent be granted—Carried. The following accounts were paid, viz: Star office, printing, \$7.66; News Record, printing, \$7.75. Sundry articles of board furnished Mr. Penn and family, he being indigent, \$21.58; Clerk furnishing trustees with school census, \$1 each school; also \$5 for extra columns on assessment roll; John Elliott, gravel for lat. con., \$2.

The tree planting act was discussed, and opinion of the council was that the repeal of the by-law (adopted at an early day) would be in the public interest, as trees growing along the highway cause snowdrifts, create pitch holes, and keep the road from drying, and entirely neutralize the benefits of wire fences. The council adjourned to meet again on the 30th day of May as court session. J. PATTON, clerk.

Capt. Howard recognized the danger and ran his gun in front of the battery, letting the enemy have a hail of bullets that was terrible in its effect, many being shot down and the remaining actually turning tail and scampering off to the shelter of the friendly bushes, where they were reinforced by another party. Here they once more faced about and opened a warm fire, the bullet raining most marvellously remained untouched. Finally the rebels were unable to stand his killing fire and deserted their cover here and retreated to the ravine containing their rifle pits.

The firing was sustained with unrelenting success, the rebels being forced to retire at points.

A battery did remarkable work, but failed with the aid of French's scouts to drive the enemy out of their pits. Unfortunately they paid for their intrepidity by suffering more than all the remainder of the attacking force together.

During the afternoon the firing was of a more desultory character, until shortly after 4, when it became dropping and then ceased altogether.

Major Boulton's cavalry were now sent back to bring up the supplies and tents, and preparations were made for camping for the night on the positions taken. Gen. Middleton considering it unwise to attack the stronghold itself until the following morning.

Between 6 and 7 o'clock Capt. Young, of the 90th, ascended to the roof of the church and discovered a number of Indians about a mile away. The Winnipeg battery was ordered up and sent some capital aimed shells into their midst, scattering them in all directions.

A little later the rebels again opened fire from a bluff near the ravine on our left front. They fired several harmless volleys and the Winnipeg battery resumed their exercise, with the result that they speedily drove out the insurgents, who sought shelter in some houses near by, but a well directed shells sent the houses into smithereens and the rebels beat a hasty retreat.

The intervening time between the cessation of hostilities and retreating was occupied by the troops in ridding their position, throwing up earthworks and so on.

Another of Riel's prisoners. CLARKE'S CROSSING, May 10.—Wm. Bruce, another prisoner escaped from Riel, has been brought in. He corroborates Lotte's story, and says Riel's force comprises about 500, half of whom, however, are on the other side of the river and he thinks will make toward Grand-Maitland.

CLARKE'S CROSSING, May 10.—We have had a warm day's work, but it has been devoted mainly to fighting the rebel skirmishers, who were active in the morning, but fell back gradually to fall back. The council adjourned to meet again on the 30th day of May as court session. J. PATTON, clerk.

ENGLAND AND RUSSIA.

It Again Looks Like Peace.—The British Government Sustained on a Vote of Want of Confidence.

A bitter attack was made upon the premier and the government by the Conservatives, led by Lord Hamilton, who is being strongly pushed forward by the Tories as leader in the Commons. He was under secretary of state for India from 1874 until 1878. He moved the consideration of the amendment given notice of by Sir Stafford Northcote on Friday, which concludes as follows: "The house having shown their readiness to vote supplies, refuse their assent until informed of the present policy and purposes, for which the money to be granted, is to be applied."

Mr. Gladstone said the Opposition had pressed the motion without waiting for promised papers and made up for their deficiency of knowledge by a variety of baseless assertions. When the papers were presented it might appear that Sir Peter Lumsden had returned in full conformity with the government's policy, and that the frontier had been secured through the friendly relations between Lord Dufferin and the Russian minister.

Lord Hamilton's motion was defeated by 250 to 260. The majority consisted entirely of liberals. The House rejected the result rather listlessly.

PEACE POINTS. Russia continues her warlike preparations. The Indian government has asked that 2000 reinforcements be sent to India in July.

Russia has taken it upon herself to forbid the employment of Englishmen on the frontiers in Afghanistan.

Russian generals pretend to be mad because the outlook is pacific. The czar is advised to go thither and try to ally the excitement.

Odessa telegrams state that the troops which passed there just mobilized from reserves were hordes of unkempt peasant youths, ignorant of the use of rifles, which some of them were hardly able to carry.

It is said that in Calcutta that the only thing that can soothe public feeling against England for her concessions to Russia is a clear and distinct avowal from Lord Dufferin of his approval of Mr. Gladstone's policy and an explicit statement of his understanding with the answer.

SICKNESS.—The many friends of Mrs. Chas. Girvin, Jr., Nile, will be sorry to learn that she is very low.

FARMING.—The heavy rains of last week have retarded the sowing for some days. There is very little seeding going done yet.

REMOVAL.—H. McManus has removed to Mr. Naftel's old farm, where he has rented the buildings from Mr. Foley for some time.

ARMY DAY.—Army Day was generally observed in this vicinity to a greater or lesser extent. We think this was a very wise provision made by the minister of education.

Auction sales. All parties getting their sale bills printed at this office will find no notice inserted in this list up to the time of sale.

Auction sale of valuable mill and farm property, being composed of lots no. 3, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

MONEY TO LOAN Private funds to invest at reasonable rates of interest. SAMUEL SLOANE, Hamilton Street, Goderich, Goderich, May 13th 1885.

KNIGHTS

FOR A SHAVE, HAIRCUT, SHAMPOO OR DYE.

TWO DOORS EAST OF P.O.
