Thousands of Shoppers
All over St. John's have handed down the decision and are a mit in
proclaiming the advantages to be gained from visiting
DEVINE'S Great Mid Winter Sale.
All other Sales now being conducted in this city pale into insignifi-
cance when compared to this Great Annual event. Why? You will
ask.

Here and There.

Last week beat the record for Staf-
ford's Lintment, at 14c. per bottle.
RECOVERING - Mrs. McManus who
is in the hospital with typhus fever
is recovering.
Over 100 per cent. of LaGrippe was
cured last week by using Stafford's
Lintment, at 14c. per bottle.
The Star R. R. & B. Committee will
hold a card tournament in the Club
Rooms to-night commencing at 8.30.
LOOKING FOR SHEEBENS. - The
police were out yesterday hunting for
sheebens; they found no liquor at any
of the places visited.
NO SMALLPOX. - There is no truth
in the report circulated yesterday that
smallpox had broken out at a house
on George Street.

Interesting Debate
at Portugal Cove.

On Friday evening a very interest-
ing debate took place at Portugal
Cove, at Gladney's hotel, the partici-
pants being several well-known citi-
zens of Bell Island, then blockaded at
the Cove. The subject selected was
a practical one and interested all con-
cerned.
Resolved. - That all conditions being
favourable it would be better to pro-
ceed to St. John's than to remain at
the Cove awaiting an opportunity to
cross.
Some excellent speeches containing
some high flown oratory were made,
especially by the leaders of the affirma-
tive, Messrs. Main and Siteman, and
by the chiefs of the negative, Messrs.
Murphy and Greene. The debate last-
ed a few hours, and the arguments
were somewhat complicated by the
fact that all were compelled to speak
against their true convictions rela-
tive to the situation. On a vote being
taken it was found that both sides
were equal.

Cable News.

Special to Evening Telegram.
PEKIN, Feb. 19.
That a secret agreement between
Russia and Japan to strip China of
a large portion of her territory is re-
sponsible for the ultimatum sent by
the Czar's Government to Pekin, is
the belief of the Imperial Council. As
a result of threats against the Rus-
sian Minister, the Russian Embassy
here is under guard, and the officials
are ready to leave the Empire at a
moment's notice. China is now faced
with the most serious era since the
Chinese-Japanese war. It is obvious
that China is seeking delay, in the
hope that the intervention of Foreign
Powers can be obtained. Russia has
already secured from England con-
cessions for railroad connections with
British lines in India, following, of
course, the construction of the trans-
Persian, trans-Belochistan railroads
by Russia.

THE MISSIONARY CAMPAIGN.
The annual series of missionary
services in this parish has just con-
cluded. At the time the weather was
most inclement and unsuitable, being
bitterly cold with high winds and
snow storms. In spite of this, how-
ever, the campaign was more suc-
cessful than any previously held in
the history of the parish. Congrega-
tions were, of course, somewhat
small, but the monetary outcome of
the campaign breaks all previous re-
cords.

Parade Rink Robbed.

Late Friday night or early Saturday
morning some thief entered the Para-
de Rink through one of the windows,
and after gaining admittance forced
the door of the dressing room and ran-
sacked the place. Four pairs of boots
and skates, valued at \$20, were stolen
with an overcoat and pair of rubber
overshoes. The police are now look-
ing into the matter.

Parcel Post.

The Parcel Post Department of the
General Post Office gives a big show-
ing in the statistics for the year ending
June 31, 1910. The number of
local parcels received and despatched
in 1908-09 was 62,372. The number re-
ceived and despatched for the year
1909-10 was 101,844, an increase of
39,472 over the previous year. The
total amount of duty received for the
year 1908-09 was \$17,099.77, and for
the year 1909-10, June 30th, the
amount received was \$20,585.31, an in-
crease of \$3,485.54 on the previous
year.

Feat in Diving.

Diver Walter Squires went to Bell
Island last week and donning his
diving suit went down off the D. I. S.
Co. pier in search of an anchor and
chain lost by one of the ore boats last
fall. He made several descents and
eventually picked up the anchor in
20 fathoms of water. The pressure
was terrible and Squires took a
great risk in going into such a depth.
There is always great danger in go-
ing beyond 12 fathoms. When Mr.
Squires took the return and after
locating the anchor he buoyed it when
he had attached a rope to it and later
permanently secured it by putting a
wire hawser on it, so that the anchor
can be taken from the bottom when
necessary.

Interesting Debate.

The debate of the pupils of St. Bon-
aventure's College held Saturday af-
ternoon in the College was of a very
interesting character. Rev. Bro. Cul-
hane presided and the subject dis-
cussed was "Should not Newfoundland-
ers remain in their country?" The
affirmative was espoused by N. Duche-
mini, T. Molloy, A. Power, J. McDon-
ald and R. Cashin. The negative side
was taken by P. O'Neill, B. White, H.
Knight, W. McGrath and B. Costigan.
The jury returned a verdict in favor
of the affirmative.

Death of Mr. G. Brownrigg.

Mr. Garrett Brownrigg, a well
known and respected resident of the
East End, died at his late residence,
Water Street, yesterday morning of
pneumonia. He was of a retiring dis-
position and took an active interest
in all that concerned the welfare of
the city; a true and sincere friend
and straightforward and upright in
all his dealings with his fellowmen.
His death is deeply regretted by all
his acquaintances. Deceased leaves
two sons, Mr. Henry Brownrigg and
Mr. Garrett Brownrigg; and two
daughters, Mrs. W. Comford and
Mrs. T. Carter, to mourn the loss of
a kind father. The Telegram extends
to them its condolence in their irre-
parable loss.

Rescued at Por-
tugal Cove Saturday

On Friday afternoon, just at dusk
the quietness of this little hamlet was
disturbed when it became known that
a man in an unfit condition had
set out for Bell Island to cross the
ice, and was about a half mile from
the Cove in a very dangerous position.
The circumstances being called to the
attention of Messrs. J. M. Greene and
G. Main, who happened to be on the
public wharf, they procured the ser-
vices of an experienced guide, Mr. J.
Somerton, and proceeded to the res-
cue, and within half an hour the man
was on his way to terra firma, the
rescue party having reached him by
means of gaffs and lines.

Backache
Suffering
A wonderful medicine is this man's
description of DR. CHASE'S KID-
NEY-LIVER PILLS.

Mr. Fred Gummer, Lillies, Ont.,
writes: "I can honestly say that Dr.
Chase's Kidney-Liver Pills are a won-
derful medicine. For six weeks last
fall I could scarcely walk around for
pains in the back and legs, and was
almost completely unfit for work.
Though I tried several medicines I got
no better. I saw Dr. Chase's Kidney-
Liver Pills advertised and bought five
boxes. After I had used three boxes, I
was greatly improved and by the time
I had them all taken felt as well as I
ever did. I would advise anyone suf-
fering from kidney disease to use Dr.
Chase's Kidney-Liver Pills.

BRUCE GONE TO LOUISBURG.

The Bruce left Port aux Basques for
Louisburg at 11.55 a.m. yesterday. She
took a very large mail and about 70
passengers. The R. N. Co. received a
wireless last night from Captain
Drake saying that the steamer was
making good progress.

HOCKEY MATCH POSTPONED.

Owing to the fact that Messrs. Woods
and Stack, of the Crescents team are
laid off with injuries received in the
match of Friday night, the hockey
match fixed for to-night between the
Crescents and St. Bon's has been post-
poned until Wednesday night.

STILL AT AZORES.

The schooner Pearl is still at the Azores, and
is getting temporary repairs there,
she having been damaged on the run
from Cadix this way. It is believed
that the three men who were ill of
smallpox are improving as no word
to the contrary has been heard from
them.
