**Gone to the Wall
And Through It!**

To meet the demands of our rapidly increasing business we are compelled to make extensive alterations to our store. To enable us to do this without inconveniencing our customers, we have decided to close our Store for 14 days.

When we have completed these alterations our Store will be second to none in the city. This will enable us to stock a larger range of **Up-To-Date Gents' Furnishings**, which up to the present we were unable to do, through lack of space.

We thank our numerous patrons for the excellent support they have given us since we started the **K. & A. STORE**, and hope that when we re-open that Bright little Store on the Corner, it will be just as popular as ever.

We remain, yours faithfully,
**C. F. KEARNEY,
J. M. ATKINSON.**

KNOX

Marine Motors.

THIS ENGINE is made in Camden, Maine, U. S. A., especially for fishing purposes along the coast of Maine. It is the one which has given the best results for fishing purposes obtainable. It is noted for its simplicity. Any person can operate it when once instructed. It will run with gasoline or kerosene. This cut represents 7 1/2 h. p. single cylinder. Make & Break Knox: Compare the description of its power with any other engine and you will find it beats most of them 25 per cent.

Note: Revolutions per minute 500
Bores.....4 1/2 in.
Stroke.....6 1/2 in.
Weight of Motor.....500 lbs.

J. LEDREW & SONS have accepted the Agency for this Engine and intend to establish a branch business at Harbor Grace, where Motors will be installed and purchasers will receive instructions, be taught to run the Engines and where all parts for repairs will be kept on hand. The principal of this concern, W. R. Ledrew, is going through a course of training in the Camden Anchor-Rockland Machine Co.'s Factory. Any person wishing to order one or more of these Engines would do well to send in their order so that W. R. Ledrew will see them tested, packed and shipped, as he wants to make up a car load so as to save freight. For Catalogues, Price Lists, etc., apply to
