The 'Leader' Grafonola!

The "Leader" is a veritable triumph of the "Columbia" Company's. It is a beautiful instrument and possesses all the charm of the Grafonola at its very best.

It has full, rich, mellow tones that can be subdued at will, so as to make it suitable for a small room, or again can be made to produce a magnificent volume of sound that just as easily fills a large hall. The

"Leader"—which well merits its name—forms a handsome addition to any drawing-room. Come and hear some grand opera records on it.

Price : \$100.
