House Cleaning. The annual return of this distressing and most contagious condition is now near at hand. What can be done towards reducing its horrors to suffering manhood? One thing should occur to you, that is to see that those books that are piled up in back rooms, on tables and mantels and spilling by exposure should be housed in dustless, elastic, sectional, economical book-cases of the famous

## FIRE INSURANCE

IT'S WORTH CONSIDERING.

Every problem that takes into account the payment of a small insurance premium coupled with the element of risk is worthy of careful consideration.

RISK IS ELIMINATED

when it comes to policies written here. That house of yours needs an extra policy, and why not have me write it? A day's delay may cost you thousands. It's the time to act and not to procrastinate. Do it today.
