ASTOUNDING, CONFOUN- DING, BUT TRUE.

ANOTHER WONDERFUL

Cure of Consumption!

BY THE

GREAT SHOSHONEES REMEDY,
IN CANADA.

Messrs. Young & Chamberlain:

GENTLEMEN.—I, Wilson Storms, of Brighton,
C. W., make the following statement: I was
let you know what the Great Shoshonees Re-
medy has effected for me. My wife was afflicted
with consumption and died. I was also
afflicted with the same disease, and after her
death I continued sinking just as she had
done. I had very severe Night Sweats—
coughed nearly all night, and every night
could not sleep unless I took towards morn-
ing; I raised over a quart of matter every 24
hours. I saw Squaw Wellington, and he took
me and was greatly debilitated. In fact, I was
going as fast as I could. I was taking medi-
cine, but it did me no good. I was afflicted
even relieved my cough, and I went to the vil-
lage one day, about a quarter of a mile, which
took me to go and come about two hours. While
there I saw Squaw Wellington, and he hap-
pened to say to him I wish you could give me
something to relieve my cough. He said—
"There is a bottle here with me, which I took
teaspoonful at once, which I felt through my
whole system. At night I took a table spoonful
and rest well all night, and continued to
rest well every night. The cough, night sweat,
raising of matter, pain in the lung, &c. gradu-
ally left me, and I got hearty and strong. I
took only three bottles. I am not taking it
now, and I am as hearty and well as ever I
was in my life. My sister-in-law was with me
for a while, who was afflicted with the Liver
Complaint. She has taken the remedy and is
well. This certificate you may show to the
world if you please.

WILSON STORMS.

DOCTOR DAVIS,

Physician and Surgeon.

OFFICE—Merriek-st.,
between the McRab
Hotel and Church
Street, directly op-
posite the Mar-
ket House entrance on Merriek
Street.

Can be consulted at all
hours day and evening,
on all Chronic Diseases, Dis-
eases of Women and Chil-
dren, Midwifery, &c., &c.
together with those of a
private nature. He has
devoted over thirty years to the treatment
of the above named diseases, and has success-
fully been without a parallel, as may be
seen from the numerous testimonials in his
possession.

Private Diseases.

It is well known that this branch of the medi-
cal profession is a very much abused one, from
the fact that it is most represented by
quacks, who invariably practice under an as-
sumed name. Dr. D. has devoted much of
his time to the various forms of this disease,
and by his improved remedies the worst cases
are brought under subjection in from four to
ten days. The many lives arising from Secret
Habits in both Sexes permanently eradicated.

No Mercury Used.

Patients at a distance can be treated by
corresponding with the Doctor, stating the
symptoms of the disease, age, length of time
afflicted, &c., and receive the celebrated reme-
dies by express, or as otherwise directed,
secrecy packed from observation. A reason-
able remittance on all such applications will
be required.

Dr Davis' Celebrated Female PILLS.

For irregularities, Suppression of the Men-
ses, Leucorrhoea or Whites, and all female
difficulties, have been before the public for
the last ten years, and are universally ad-
mited to be the best remedy for which they are
recommended of any now in use. Thousands
have used them without single instance of
their failing to have the desired effect. Print-
ed directions accompany each box. Sent by
mail to any part of the country on receipt of
one dollar.

The doctor can be consulted at all times with
the utmost secrecy, as his office is so arranged
that it is impossible to overhear either party
by consent. No charge for advice when
obtained at the office, if by letter, one dollar.
All letters must be addressed (pre-paid)
to Dr. Davis, M. D., Hamilton, and to contain
a postage stamp when an answer is required.

THE BRYANT, STRATTON & ODELL

Business College and Telegraph Institute.

Express Buildings, 55 Yonge-st., ESTABLISHED

TORONTO.

Located in 46 of the largest cities of the States and Canada, under the management of
J. D. ODELL, Principal.

A SCHOLARSHIP issued from this College is good for an unlimited time, and entitles the
holder to the advantage of instruction and influence in obtaining situations. Each
College derives special benefit from all others, in the combined experience of numerous teach-
ers, the collection of manuscripts and the publication of text books, beyond the ordinary
means of any single school. We have the best system of Penmanship known to the public,
taught by experienced, first-class Penmen, for which we were awarded First Premiums in
all departments at the late Provincial Fair. Regular class instructions in Arithmetic, Com-
mercial Law, Penmanship, Book-keeping, English Grammar, Correspondence, Composition,
&c. &c., with ample black-board explanations, and special lectures to suit individual cases.

Actual business is here introduced by the use of Banks, and other offices, as in business
houses. The practical method of giving instruction in this institution is the most important
feature. Students count their thousands of dollars, buy and sell merchandise, real estate,
stocks, &c., with as much interest as our first merchants, thus converting the school-room into
a banking house and a room of exchange, by introducing the actualities of business, as well as
the abstract theory of Book-keeping. For further information please call at the Col-
lege, or send for a College Monthly, enclosing letter stamp.
