They were brought before Inspector Duffus Tuesday at the barracks and the two first named were sentenced to 14 days in jail, and the third, Geo. Fans, was sentenced to a month and 14 days, this because he was found to be carrying concealed weapons. A revolver fully loaded was discovered in his blankets. The yearly statement of the customs

STATES, SAYS PREMIER

OF W. AUSTRALIA Winnipeg. April 2.—Speaking at a Canadian Club luncheon today, Hon John Scadden, premier of West Australia, said that it would be a better day for Australia when they had provinces instead of states and a central government similar to the Canadian system. This change was bound to come, and it was only a question of time until a system similar to that in Canada would be found in Australia. Western Australia, he said, had been able to make progress under the protection of the Union Jack, although eyen in Australia, as in other parts of the empire, there were those who did not fully appreciate what the protection afforded by the Union Jack meant to their country.
