### PRUSSIAN LORDS HIT POLISH BILL

According To Chancellor Von Buelow.

Chicago, Feb. 27 .- A plot to murder Berlin, Feb. 26 .- The second read-Chicago priest at the altar of his ing of the Polish bill was begun in Chicago, and frustrated almost by to read that land held longer than ten

The minister of agriculture showed cese. This information was given out that this provision reduced the amount by Father Dunne yesterday to prove of land open for expropriation to 48 -000 acres from 173,000 acres. He said the measure, had rendered it completely ineffective. Chancellor Von Buelow

Noke on the bill, saying in part: "The Government cannot regard the amendments made by the committee as improvements, and the weapon thus put into Polish hands will prevent us winning a victory in the struggle for the soil of the eastern provinces. It is a mistaken policy to weaken this bill until only the odium attaching to it remains. Judging from the speeches of the late Prince Bismarck he would have favored the Govof the first chancellor as a sacred legacy. We dare not shrink at the first difficulty and in trying circumstances

"With the full sanction of the crown and in agreement with the diet we beg you to grant us the means which we regard necessary for the warding off of serious damage to the interests of the state."

#### ARTILLERY ASSOCIATION

Annual Meeting of the Organization Takes Place at Ottawa.

Ottawa, Feb. 26.—The annual meet ng of the Dominion Artillery Association took place in the railway committee room of the House of Commons tothe association, presided. There was a very good attendance. Among those present were Lord Grey and Sir Fred-

rick Borden. Lord Grey, in replying to a vote of thanks for the interest he had taken in the association, said that he was sorry he had not yet had the pleasure of visiting the Petawawa camp, but he certainly intended doing so before his term expired. Referring to the visit of the British team his excellency said that they regarded Petawawa as well worth crossing the Atlantic to see.

#### THE INSURANCE BILL

atergoers, nearly all of them being Manufacturers' Association Appear Before Banking and Commerce Committee.

Ottawa, Feb. 27.-The Canadian Manufacturers' Association submitted their views to the committee on banking and commerce on the insurance bill today. E. P. Heaton explained that the members of the association carried fire the Grand on Friday and Saturday insurance on their properties to the exevening, and Saturday matinee, is a tent of \$500,000,000. He wanted a new section, dealing exclusively with Monnecessary for the British Government directed against the Belgian people. No man has fallen heir in the course of crimination against a perfectly legitimate business of insurance. It should sleep too much while the sun is up, Canadian policyholders of other than be struck out. The interests of the life companies should be safeguarded. The association is opposed to the lowering of their insurance reserve computation by Canadian companies, and also asked that some provision should be made to limit the amount of insurance in the congested areas of large

#### MAY CUT OUT ALASKA

Jack Standing, leading man for Mrs. New York-Paris Motorists Afraid of the Icy North.

Chicago, Feb. 27-Northern Siberia tomorrow evening in Daly's Theater, and Alaska may be eliminated from New York, in "Adrienne Lecouvreur." the route of the New York to Paris automobile racers, as a result of the William Faversham will be his own failure of the cars to go through the manager next season and will produce Indiana snowdrifts under their own boat to Vladivostock, and then run down the Russian post roads by the Henry B. Harris has retained Miss side of the Siberian Railway, the 8,000

A conference will be held today to determine what should be done. One of the main reasons for the change is the fact that the delay between New York and Chicago has made it impossible to reach San Francisco by March 14, the time set for sailing to Alaska A later boat will bring the time for crossing Alaska too late to catch the hard snow, and it might be found
