Anniversary Supper.
Two little Jewish boys, whose names supper was held on Tuesday evening by inglish-speaking individual, were bit ten by a dog on Ottaway avenue yesterdayafternoon, and were taken into the hospital, where the wounds were dressed by Dr. Ashford. The dog did not display any symptoms of madness, and the wounds are not regarded as serious. It is thought the lads were abusing the animal when it turned upon them and bit them.

New York, Oct. 5.—The national companies to day decided to play the first today decided to

Montreal, Oct. 5. — The case in which David Russell alleges the Pinkerton detective agency conspired to have him placed in an asyium, is nearing the end. The defence is making marked progress with its reply to the charges, and it is expected all the evidence will be in tomorrow and Justice Archer may take the case en delibre on Saturday.

This morning Siesfried Bush, formerly in the employ of Mr. Russell as a clerk, occupied the stand for the whole sitting.

## **HUMMING BIRDS WORK**

Keep Catching Flies. Boston, Oct. 3 .- Miss Katherine E.

Dolbear, of Clark University, is conbunched a number of them, and unfortunately at a session of the year characterized by rains. As a result the ten thousand dollars voted for the first time this year to be used as insurance against bad weather came in very conveniently."

GRAND TRUNK EARNINGS.

[Special to The Advertiser.]

Miss Dolbear, of Clark University, is convenient are open, and the public acconvenient are open, and the public ducting experiments with humming birds, to determine if they can be put to any commercial use, such as riding greenhouses of insects. She believes they will prove of great value.

Miss Dolbear has a permit from the State of Massachusetts to collect humming-birds to the number of 100. She got this temporary release from the law preventing their capture in order that she pay make an exhaustive study day.

A report has been published by the biological department of Clark Uni-

versity saying that it will be glad to receive any humming-birds that may be caught, and if desired will pay \$1 apiece for them, up to ten or fifteen. Dead specimens may also be of value for study of crop contents or for dissection, but none will be killed for suchelons and purposes at the university, nor will any money be paid for dead birds.

were abusing the animal when it turned upon them and bit them.
