

## CHIEF CLERK HONORED BY C. P. R. EMPLOYEES

R. Rowan Presented With  
Purse On Occasion of  
Marriage.

R. Rowan, chief clerk at the Canadian Pacific railway roundhouse, Quebec street, was given a surprise party at noon Saturday, when representatives of the mechanical department, bridge and building stores and Quebec street station staffs, invaded his office, lifted him and his pet chair and carried him into the roundhouse, where Leonard A. Hartman, timekeeper, presented him with a purse.

The gift from his many friends came as a complete surprise. Mr. Rowan and Miss Hilda Mearns were married quietly a couple of weeks ago. The event did not go unnoticed in railway circles, and at the first opportunity the boys got together to tender their congratulations.

Mr. Hartman read a humorous address concerning the good ship matrimony on which the happy couple had embarked. It was the hope of all that Mr. and Mrs. Rowan would avoid the rocks and shoals in the sea of life and reach the port of happiness safely.

On behalf of the engineers and firemen F. Shortall spoke of the esteem in which the chief clerk was held by all those with whom he has been in contact, and asked that he accept a purse along with their congratulations.

**Rev. E. A. Brownlee of Toronto,**

who has seen a number of years service in the mission fields of China, was the speaker at Talbot street Baptist church Sunday morning and evening.

Dr. Green is conducting special meetings for two weeks in Wentworth street Baptist church, Hamilton.

In the morning Mr. Brownlee spoke on the subject, "Don't Drift," and gave a powerful exposition in which he urged his hearers to hold fast to the great fundamentals of the Christian religion, as they were revealed in God's word.

"I believe one of the principles of these fundamentals is that we should regard the Bible as the inspired word of God, for it is the only way in which we have a record of the Almighty, and a revelation of His love to the world."

"There is no other way in which men can be reached and saved but through a fearless and complete proclamation of the word as it is revealed in this book."

Mr. Brownlee concluded that there was a tendency in many places now

to depart from this old plan and to deal with problems of the day, and denounced the idea that by environmental and proper training a child could grow up to a perfect manhood and thereby fulfill the demands of the Scriptures. It was as true today as ever before that the natural heart was at enmity with God, and it was not possible to change this disposition by either training or environment. He stated that the doctrine of the new birth was a fundamental that could not be forsaken, and that the death of Christ must still be regarded as the great and only way of atonement. Drifting away from these fundamentals opened the doors to all manner of difficulties and dangers. Dr. Brownlee concluded his appeal with the same appeal with which he opened: "Don't Drift."

**ROSES ARE BLOOMING IN PORT STANLEY NOW**

Roses are still budding in many gardens at Port Stanley and, in fact, a full sized bloom was picked yesterday in the gardens of one residence on Hillcrest.

Lilacs and other shrubs and flowers are also budding and little leaves are not uncommon on the lilacs.

Local gardeners say that this is due to the nearness of Port Stanley to the lake and the fact that the resort is thirty miles further south than London.

The warmer weather at Port Stanley yesterday greatly enhanced the possibility of large roses for next week.

## REV. JAMES MACKAY URGES ALL TO ATTEND

Pastor Asks Congregation to  
Consider Both Sides of  
Union Question.

Rev. James MacKay, pastor of New St. James' church, at both services yesterday urged the members of his congregation to attend the church union mass meeting in the First Presbyterian church, Thursday, Nov. 27, when Dr. George Pidgeon and Dr. J. R. P. Selater will address the meeting on church union from the unionists point of view. Mr. MacKay is opposed to union, but told his congregation they should hear both sides and judge for themselves. One member of the congregation, after the service, stated that though he disagreed with Mr. MacKay on the subject of church union, he cannot help but admire and respect Mr. MacKay's generous spirit of fairness in dealing with the matter with his own congregation.

**TWENTY-FIVE CUBAN MILLS STILL TIED UP BY STRIKE**

Associated Press Despatch.  
Havana, Cuba, Nov. 24.—The meeting last night of sugar mill owners planters and workers in Camaguey failed to solve the strike in 25 mills in eastern Cuba, but despatches early today said that some progress was being made.

**SNOW BIRDS HERALD  
WINTER AT PORT STANLEY**

The appearance of winter at Port Stanley was further heralded yesterday by the coming of snowbirds in large numbers. Their chattering could be heard at quite a distance.

Hunters are realizing the good hunting that can be had in the Port Stanley district, and this morning three were seen heading towards the woods which surround the port.

Rabbits are the most plentiful game at the present time, a light snow being the only thing needed to make excellent hunting.

**SUICIDES ON TRAIN.**

Canadian Press Despatch.  
Prince Rupert, B. C., Nov. 24.—W. G. Hollingsworth, 25, a former Canadian National railway employee, committed suicide by hanging in the washroom of a westbound train Sunday morning. He had attached a cord to a hook on the wall.

**MOTHERS LIKE TO TREAT  
COLDS WITH VAPORS**

Direct Treatment with Vaporizing  
Salve Immediately Reaches  
Inflamed Air Passages.

It is no longer necessary constantly to dose the children in treating croup, bronchitis, sore throat, colds or deep chest colds. Many Canadian mothers now use the "outside" remedy, Vicks VapoRub, for the cold trouble of all the family, because it is just rubbed over throat and chest—there is nothing to take. When so applied Vicks gives off medicated vapors which are inhaled directly into the inflamed air passages, loosening the phlegm and making the breathing easier.

At the same time Vicks is absorbed and stimulates the skin like a liniment or plaster and thus aids the vapors inhaled to break up the congestion.

At all drug stores 50c a jar. For free test size package write Vicks Chemical Co., 344 St. Paul St. W., Montreal, P.Q.
