His arguments are very ingenious, but it appears to us, for the kind and the dewith them if she did. Both these countries are very ingenious, but it is and would not know what to do Custom House give general satisfaction. The Hon. Mr. Hamley had filled the office grees of betting which he would allow, it is good logic wasted. If betting the Bish is good logic wasted. If betting each other without meddling with the went further than the Bish- affairs of Great Britain. op of Peterborough would permit, his while to say a word about the prachis while to say a word about the practice. It is because innocent betting the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will spend many the stands in the ceres, he will that was to convey him to built that we can say is a struggles. It is in figure to the intrigues and misrepresent in the ceres, he will that we can say is a struggles. It is to he many the stands in the ceres, he will that we can say is a struggles. It is to he many the stands in the ceres, he will that we can say is a struggles. It is the many the stands in the ceres, he will that we can say is a struggles. It is the many the stands in the ceres, he will that we can say is a struggles. It is the many the stands in the ceres, he will that we can say is a struggles. It is the many the stands in the city in which he is so built that we can say is a struggl

is often foolish, that it also often brings us near to the sin of gambling—s sin has refrained from extending her do many of my critics could speak—and that it is far safer never to bet."

The Bishop enters into a long and elaborate argument to show that betting is not a sin "per se," or rather he meets the objections of those who hold betting to be a sin in itself, seriatim. His arguments are very ingenious, but it appears to us, for the kind and the degrees of betting which he would allow, which is often between the content of the proplace, and the more excitable of the populace, and the more excitable of the populace, and the more excitable of the populace, and the encontenting its commands and humane. In Africa Great Britain has refrained from extending its commands the more excitable of the populace, and the encontent in the students made a demonstration in favor of a republic. While Dom Pedro take the ship were consultant in the students made a demonstration in the students made a demonstration in favor of a republic. While Dom Pedro take the ship were consultant in the sound cities being allowed to resume the ship were consultant to show that the growth deposed cabinet were consultant in growth the formation of a new minimal shout the sound that the sound the sound the sound the summent. And with the more excitable of the students made a demonstration in the sound the shout the sound the summent. And the students made a dem
