words: No reliable information can be obtained touching the character of the tariff which is to be reported to the United States Congress by the Ways and Means Committee of that hody. The committee has heard numerous deputations en the subject, but it has as yet prepared no bill. It has been rumored that Mr. Wilson, the chairman, has a draft pro-ject in his pocket. This, however, Mr. Wil-son denies. He says work has been com-menced on the bill, and he adds, "that the progress of the work is not to be divulged until the completed bill is ready for presentation to the House. The work has been commenced, and we shall try to get it finished as soon as we can. That is all the public wants to know at the present time.
