H. Grant the calm of the High School, has the stem to have come

pected,
At the meeting of the York County Council yesterday Warren Stokes and Messrs. Bong and Hilf were, upon a ballot, appointed commissioners of county property during the ensuing year. The secretary of the East York Agricultural Society applied to the council for an increase in the amount of the usual donation to the society, as, owing to the New Story by Edna Lyall, tion to the society, as, owing to the inclement weather which prevailed last fall, their receipts had considerably fallen off. The time-honored motion with regard to abolishing county tolls was introduced by Reeve IRII, but discussion upon it deferred until Tuesday next. On Thursday evening Miss Maud Gordon gave the first of a series of twelve recitals to be given by the pupils of Mr. Edward Fisher in the Conservatory of Music. An excellent program was given, which showed high artistic talent. The first number was by Miss Gordon, Shuon to the society, as, owing to DOREEN The Story of a Singer. Paper Edition.

FOR LAW-MAKERS.

HERE IS A SUBJECT WORTH, THEIR SERIOUS CONSIDERATION.

t Affects the Public Health, and What ever Affects Health Should be Inves 1gated-Cold Facts Bluntly and Truthfully Stated-Let the Truth be Known No Matter Whom it Hits.

To the close observer it often seems as though the days of the secret and worthless compounds are numbered. Every time the worthlessness of a secret mixture is exposed by the medical promixture is exposed by the medical pro-fession there is a public reaction in fa-vor of the legitimate preparations which really have merit. The public is also gradually awakening to the possibilities not only of fraud, but of actual harm not only of fraud, but of actual harm 

the ruins of the Osgoodby building about 10 workmen are glearing things up. In the McKinnon building and the Wellington-street establishments things remain in statu quo.

To Rebuild Forthwith

Mr. James Woods, owner of the Osgoodby building, is pushing things more rapidly than any of his felow-sufferers from the fire. As soon as the rubble has been removed and the front wall taken down, building will re-commence and go on as rapidly as the weather will permit. The new edifice will be in its exterior similar to the angles of the desired and go on as rapidly as the weather will permit. The new edifice will be in its exterior similar to the angles of the fire as a bomb thrown in more cautious about buying new preparations buying new preparations, or old ones that are enshrouded in more cautious about buying new preparations between the angles of the Blower, supplied with each bottle of Dr. Agnew's Catarrhal Powder, different the Blower, supplied with each bottle of Dr. Agnew's Catarrhal Powder, different in the prometer of the surface of the mass powder over th
