We name them thus Because we believe they are King of all shoes. We don't believe there is a woman's shoe sold for \$3 in this whole world which is as good as our King Quality. That is a broad statement, but try the shoe and you will agree that we have reason for boasting.

It is simply perfection. It has all that a shoe ought to have—ease, durability, style—and it costs but \$3 while it looks like a \$5 shoe. Try and judge for yourself.
