ICE CREAM NOW MADE IN A MINUTE

I have an Ice Cream Freezer that will freeze cream perfectly in one minute; as it is such a wonder a crowd will always be around, so anyone can make from five to six dollars a day selling cream, and from ten to twenty dollars a day selling Freezers, as people will always buy an article when it is demonstrated that they can make money by so doing. The cream is frozen instantly, and is smooth and free from lumps. I have done so well myself and have friends succeeding so well that I felt it my duty to let others know of this opportunity, as I feel confident that any person in any locality can make money, as any person can sell cream and the Freezer sells itself. J. F. Casey & Co., 1143 St. Charles St., St. Louis, Mo., will mail you complete instructions and will employ you on salary if you can give them your whole time.
