CANADA vs. THE WORLD. READER, If you inquire of any person or persons who have ever visited C. S. Powers' Newcastle Marble Works, or purchased Marble from any of his numerous Agents in Canada West, they will tell you that this is positively the LARGEST, BEST and CHEAPEST Establishment of the kind in the Province, and not inferior to any in British North America. His Marble, which he imports direct from the native Quarries, is of a very superior quality, and comprises every variety of European and American Marble in demand in this Country, and as he employs none but first class Sculptors in its manufacture, his work is pre-eminently distinguished for originality and beauty of design, and skill in execution. Orders sent by mail should be post-paid and addressed, C. S. POWERS' "Marble Works," N. B.—Any responsible person may act as Local Agent for this establishment, and in forwarding his address, be supplied with a catalogue of prices; and a liberal percentage allowed him on his trouble in receiving orders. Protection from Lightning, BY SPRATT'S PATENT. LIGHTNING RODS manufactured by E. V. Wilson and H. Piper & Brother, 50 Yonge Street. The Subscribers are the only authorized agents for the sale of these valuable rods, in the Canada. Manufactured and for sale, wholesale and retail, at No. 50, Yonge Street, Toronto. CAUTION—Allow no man to protect your building without first examining the points of his rods, and if they have not the Platinum Wire in the point, they are not genuine. The coating of them is of a composition metal that never rusts, retaining its brightness for years. The metal is soft and easily cut with a knife, yet sufficiently hard not to melt under the influence of electric fluids. Look out for rods manufactured at St. George, C. W., they purport to be Spratt's points and rods but are not. The points are made of steel, highly polished, but will become coated with rust after the first night's exposure to the atmosphere, consequently rendering them useless. Always ask for the Agent's Certificate of right to sell, and be sure to notice the stamp—SPRATT'S IMPROVED POINT—this is on the points near the base. Notice.—No Policy of Insurance covers losses by Lightning unless burned down or set on fire. E. V. WILSON and H. PIPER & BROTHER. Agents wanted. Toronto, March 16th, 1854.
