PRESBYTERIAN YEAR BOOK FOR 1880.

Edited by Rev. James Cameron.

Now in the press, and soon to be published the PRESBYTERIAN YEAR BOOK FOR 1880, containing full information about the Presbyterian Church in Canada, and a large amount of varied intelligence with regard to the present condition of the Presbyterian Churches of the United States, Great Britain and the Continent of Europe.

This publication was begun in 1875, and year by year has received favourable notices from our own press in Canada and the press of the United States, and also special favour and praise from the Assembly Clerks of various Presbyterian Churches.

The information contained in the issue for 1880, will be found unusually complete; and there are several illustrations of prominent church edifices.

OPINIONS OF MINISTERS, ASSEMBLY CLERKS, AND EDITORS.

"It contains complete information on almost every subject relating to the Presbyterian Church in the Dominion, and will prove of great value to the members of that denomination."—Montreal Witness.

"... This collection of varied and interesting information must secure for the work a cordial reception by all who take an interest in the position and prospects of the Presbyterian Church. It is printed, we may observe, in a neat, clear type, and its execution reflects credit both on the editor and the well-known firm by which it has been issued."—Paris Transcript.

"This is a 'handy-book' for Presbyterians, giving them a perfect plethora of information concerning their Church, in all its branches throughout the world. It is edited by the Rev. James Cameron of Chatsworth, who has thus done a great service to the Church of which he is an ornament and has rendered it inexcusable in any Presbyterian henceforth to be ignorant of the progress and position of his denomination."—Palmerston Progress.

"I need not say that I highly approve of your spirit and enterprise in compiling 'The Year Book of the Dominion.' You have rendered a great service to your churches, by whom your work should be extensively patronized, and your labour and editorial skill amply compensated. It is an admirable publication, and should be found in every Presbyterian habitation throughout 'the Dominion.'"—EDWIN F. HATFIELD, Clerk of Presbyterian Church, U.S.A.

"We seldom find, in so modest and unpretentious form, so much and so various ecclesiastical information. After a very exhaustive, yet concise, account of the Church, in her various branches in British North America, there is an account of the many families of our tribe 'scattered abroad,' acquainting us with even distant Australia. The relation subsisting between our Canadian brethren and us, is ought to be, and must continue to be, of the very closest nature. It were well if our people, and particularly our ministers, availed themselves of the assistance this little work affords, as a convenient 'thesaurus' of valuable information."—Philadelphia Presbyterian.

Mr. Croil, of the "Presbyterian Record," says of the "Year Book": "It is one of the best thumbed periodicals in our office. Every Presbyterian should have it."

The "N. Y. Independent," a disinterested author's remarks: "... It is one of the best ecclesiastical annuals published in the world. It not only gives complete denominational statistics for its own country, but for the Presbyterians in all parts of the world—the only Presbyterian Year Book that we know of that covers so much ground. There are also general statistics of great value."
