"German Syrup"

The majority of well-read physicians now believe that Consumption is a germ disease. In other words, instead of being in the constitution itself it is caused by innumerable small creatures living in the lungs having no business there and eating them away as caterpillars do the leaves of trees.

A Germ Disease. The phlegm that is coughed up is those parts of the lungs which have been gnawed off and destroyed. These little bacilli, as the germs are called, are too small to be seen with the naked eye, but they are very much alive just the same, and enter the body in our food, in the air we breathe, and through the pores of the skin. Thence they get into the blood and finally arrive at the lungs where they fasten and increase with frightful rapidity. Then German Syrup comes in, loosens them, kills them, expels them, heals the places they leave, and so nourish and soothe that, in a short time consumptives become germ-proof and well.

OBITUARY.

MRS. EDWARD WALKER.

Died very suddenly at her late residence, township of Reach, Mrs. Edward Walker, senr., relict of the late Edward Walker, elder at Utica, aged seventy-two years. Deceased was a very devoted worker in her Master's vineyard, being one of the first Sabbath school teachers in the Utica Presbyterian congregation nearly fifty years ago. Her highest delight was ever the welfare of her Master's cause, and the cultivation of intimate acquaintance with her Master, whom it was her highest delight to serve. Of her "to live was Christ and to die was gain." Her life was a practical illustration of the injunction of the Apostle Peter, "Be ready always to give an answer to him that asketh you for the reason of the hope that is within you with meekness and with fear."
