A. T. LANE,

Montreal.

Testimonial.

Montreal, 16th Nov., 1882.

A. T. Lane, Esq., Montreal.
Dear Sir,—I have much pleasure in stating that the Special Royal Canadian Bicycle I purchased from you this spring has given every satisfaction. I have ridden it the whole of the season over some very rough roads as well as in several races without having to adjust a single nut or bolt, and it has not cost me a cent for repairs. Yours sincerely,

HORACE S. TINS,
Captain Montreal Bicycle Club.
