

"Stick to your aim,
The mongrel's hold will slip,
But only crowbars loose the
Bulldog's grip.

Small as he is, the jaw
That never yields,
Drags down the bellowing
Monarch of the Fields."

OUR aim in starting Tailoring over ten years ago was to do a business second to none in the line. We knew that to do this our patrons should receive full value for all money expended.

And the fact that our large circle of customers is ever widening should be sufficient evidence that we have stuck to our aim.

Let us make you one of our \$18 Black Chevoit Suits. It will please you.
