OUR NINETEENTH ANNIVERSARY.

THE attendance at this gathering was larger than it has been for several years past. This is a token that interest in our work for the Master is increasing. Our President, in his usual happy manner, referred to the work of the past year, as being, not simply the work of the Y.M.C.A., but the work of the Christians of Toronto through their servant, the Association. He also spoke of the debt on the building, which he believed was soon to be removed, and the Association placed in a better position for downright Christian work.

Addresses were given by Rev. W. S. Rainsford and Rev. Dr. Gordon, of Buffalo. Space will not admit a report of these addresses. Suffice it to say, the proceedings and addresses were devoid of any feature calculated to lead to the love of self-praise or Association exaltation. Christ and Souls were the two points kept in the fore-front.

At the close of the meeting Mr. Blake announced that he had received offers of \$3,100 towards the debt.

OUR DEBT.

We have received at the Rooms, toward paying this debt, the following amounts: \$100, \$1, —Total, \$101.

SUNDAY NIGHT GOSPEL MEETING.

GOD was with us, and the Spirit's power was manifest in the meeting last Sunday evening. The order of exercises was somewhat changed. We closed the regular meeting fifteen minutes earlier than usual, and invited enquirers and Christian workers to adjourn to the parlor. Over forty did so, and when opportunity was given, six arose for prayer, and we have reason to believe that two of these, were, by Divine grace, led to close in with God's offer of pardon.

Brethren, pray for this meeting, that the coming winter may be a season of much blessing.
