

# A SPLENDID NEW IDEA

— IN —

# OXFORD ECONOMY GAS RANGES

THESE are the only Gas Ranges made that can be operated without stooping.

The feature of 1902 in kitchen progress! With the oven and broiler on top all kinds of culinary work are attended to without a bend of the back — an improvement to make you enthusiastic.

Fitted with the specially improved valves and burners that have made all Oxford Gas Ranges notably superior for economy and ease of management. The Oxford Economy is unquestionably the Range for you to buy.

Different sizes — reasonably priced — to be seen at leading dealers everywhere in Canada.

They will appeal to you irresistibly.
