

## More Deadly than War

---

Statistics show that influenza is much more deadly than war. In a few months it has taken more victims than fell in over four years of fighting.

That it has awakened the average citizen to a more lively sense of the constant risk of death which he faces, and the results which would ensue for his dependents, is shown by the enormous and growing demand for life assurance protection.

Have you realized the magnitude of this risk as affecting you and yours?

For information regarding necessary protection communicate with the
