PAMPHLET ON MAKING OF WILLS

Institutions having their head offices in the east, usually have their pamphlets and general publicity and advertising matter prepared by individuals connected with their head offices. This is not so with regard to the Toronto General Trusts Corporation. When a special document is to be prepared it usually turns its eyes westward, even as far as Vancouver, and selects the manager of the branch in this city, Mr. Frank M. Pratt, to attend to this important matter. The "Making Your Will" is his latest production for his institution, which, by the way, may be had on application at 407 Seymour Street, the British Columbia branch.

This pamphlet contains much useful information on the necessity of making wills, what wills should contain, choosing an executor, necessity of expert advice, etc. It also gives specimen forms of wills and codicils. Mr. Pratt's production is a valuable little pamphlet to have and keep for reference.
