

If the above proposals are acceptable to the Government of the Republic of France, I have the honour to propose that this Note, and your Excellency's affirmative Note in reply, which are equally authentic in the English and French versions, shall constitute an Agreement between our two Governments, which shall enter into force on the date of the second note that is part of a subsequent exchange of notes confirming the completion by each Party of all internal procedures necessary for its entry into force.

Please accept, the assurances of my highest consideration.
