

Blood supply, HIV infection—Cont.

- Canadian Red Cross Society, response, 17:10, 12-3, 18-9, 22-4, 45-6; 18:20-3, 26, 31; 22:12-6, 19; 23:12; 25:12; 26:21
- Administrative deficiencies, 20:4-5, 8, 10-9, 26-30; 21:6, 12-3, 20-30, 34; 22:38-40; 26:5, 10-2
- Autologous donations proposal, 20:7, 14-5, 19-20
- Canadian Red Cross Society position, 24:4-5
- Computer system, adequacy, 20:5, 10; 21:28
- Donor recruitment, relationship, 26:10-1, 22-3
- Funding, 20:7, 11, 25-6; 22:25-6
- Information, awareness campaign, effectiveness, 22:32
- National headquarters relocation, impact, 21:23
- Studies, internal task force review, 21:26, 28-9, 32, 35
- Volunteers, impact, 21:21, 23-4, 28, 35; 26:11
- See also* Blood supply, HIV infection—Public inquiry
- Committee, establishing, 17:17-8, 24, 38
- Committee study, 17:8-49; 18:4-36; 19:4-19; 20:4-40; 21:4-36; 22:4-40; 23:4-25; 24:4-26; 25:4-19; 26:4-25
- In camera* meetings, 24:26; 27:3-5
- Emergency procedures, adequacy, 18:19-20, 31; 20:26-30, 39-40; 22:12-4
- Fractionation plants, circa 1982, 22:14-5, 22-5
- Heat treatment of blood plasma derivatives, 17:31, 41-2, 44-5; 18:21-2; 20:23; 22:8-10, 17, 20, 31-2, 36-7; 23:9-10, 13-4, 21-2; 24:4, 11-2, 23-4; 25:8, 15-7; 26:23
- Allocation, priorities, "virgin hemophiliacs", 22:17-9, 26-8, 38
- Canadian Hemophilia Society position, 24:12-4
- Non-heat-treated products, destruction, 22:38; 24:24-5
- Hemophilia victims, 18:4-5, 8, 13, 16, 23-6; 20:23; 22:20; 23:5, 10
- Canadian Hematology Society position, 26:5
- Canadian Hemophilia Society position, 18:16-23, 26-8
- Treatment services, 18:14-5
- United States-sourced plasma, impact, 18:20-2, 33
- Victim compensation, 18:7-11, 13-4, 26-8, 32, 35-6; 19:12; 24:24-5; 26:20
- Waines, R., case, 18:4, 6-7, 11-3
- See also* Blood supply, HIV infection—Heat treatment
- High-risk donors, 21:22, 27-8, 32-3, 35
- Historical background, 17:29-33, 39-40, 45-6; 18:20-3; 20:22-4; 21:31-2; 22:7-8; 23:21; 26:17-8
- Homosexual community, reaction, 20:36-7; 22:34
- Information system, 17:16-7; 18:18, 21-2, 30; 20:13-5, 17, 27, 33-4, 40; 25:16
- Computerization, 19:6, 8-9, 15; 22:12-3
- Latent period, 17:43-4; 23:9
- Lawsuits, 17:20, 26-7, 39; 18:10; 24:5, 26
- Media coverage, 17:28, 36-7
- Medication, costs, 17:11, 13
- National Advisory Committee - AIDS, role, 23:18-9
- National Health and Welfare Department, role, 22:39; 23:12-3; 25:4-8, 14-7
