Humanity's Touch of Kin

All the world loves a lover, even if he is Czar of all the Russias, and perhaps a tyrant besides.

The second of Makofsky's great paintings, third of the series of world-famous works to be shown in the store series, is now on view on the Third Floor. The story is intimated by the title.

"Choosing the Bride"

a story told in glowing colors and magnificent technique, on a canvas 15 x 10 feet in size. The value permits of an insurance for \$50,000. Its story here will be all too short, so make your visit at the first opportunity.
