

# The Best Printers

The Best Inks Make  
the Best Printers—

ILL have only the best of everything. They want the best presses, best stock, best pressmen, and compositors, and, last but not least, the best Inks. ✱ The price of the best Inks is such that every good printer can afford to buy them. ✱ Ault & Wiborg's Inks are the best and the cheapest, ✱ because they for many years have given better results than any others.
