1. In the beginning of the world, God created the world in six days. On the first day, he created light. On the second day, he created the firmament. On the third day, he created the earth and the sea. On the fourth day, he created the sun, the moon, and the stars. On the fifth day, he created the birds and the fish. On the sixth day, he created man.

2. God created man in his own image, after his likeness. He gave him dominion over the beasts of the field, the birds of the air, and the fish of the sea. He gave him the dominion of the earth.
