

5. The disposal of our forest wealth with a view to its perpetuation by reforestry, timber reserves and parks.
6. The improvement of transportation by the better construction of highways, and the removal of tolls.
7. The regulation of rates for passengers and freight on all railways subsidized by the Province, and the ultimate control of such railways at the option of the Legislature.
8. The application of public revenues for the development of the Province and the relief of the taxpayers.
9. The revision from time to time, as the public interests may require, of the laws governing the municipal and political institutions of the Province, and the improvement and enforcement of all laws affecting public morality.
10. The maintenance of the independence of the Legislative Assembly as the guardian of the constitutional rights of the Province.
11. The application of sound principles of education to the courses of instruction in all our schools and colleges, including technical schools for those concerned in industrial pursuits, agricultural schools for those concerned in husbandry, and schools of mining and engineering where a wider range of scientific knowledge is required.
