RAILWAYS IN THE WEST HAVE GREATLY IMPROVED

Chief Engineer of Commission Says Facilities Are Increased—Plans Approved.

OTTAWA, Aug. 19.—(Special).—The railway commission has now approved all the plans of the Grand Trunk Pacific from Winnipeg to Fort George, in the Rocky Mountains.

George Mountain, chief engineer of the railway commission, has just returned from a six weeks' tour of the railways in the Canadian west. He reports that conditions with respect to roads, rolling stocks, etc., have greatly improved during the last few months, and transportation facilities this fall and winter will be much better than last year.

The C. N. R. lines, especially, says Mr. Mountain, were found to be much better than he had expected, owing to the large amount of work done this summer. All the C. N. R. lines are now in fairly good condition, and are perfectly safe for traffic of all kinds. Large additions have also been made to rolling stock and terminal facilities have been improved.

Perney Hirtschman Tells His Part of Story

The Case Fully Reported, Proves the Work Was Done by Dr. Hamilton's Pills.

HALIFAX, N. S., Aug. 19.—A well-known resident of 93 Backville-street, Mr. Perney Hirtschman, who has been ill with a somewhat serious condition, has recovered, and says: "Six months ago my appetite fell off and my health became very poor. I had terrible attacks of indigestion and my food was unable to sleep at night. My poor color showed what an ill man I was. I tried numerous remedies, but the only genuine one was Dr. Hamilton's Pills of Mandrake and Butter-tongue barks cured my indigestion. My appetite increased and my strength came back quickly. To-day I have a fine zest for my meals. I feel as strong and healthy as a young boy. Because they are so cleansing and so tonic in their effect I think Dr. Hamilton's Pills should be used by every person. My wife used them regularly with grand results."
