with the questions of his death and successor. He has settled all arrange-ments for his funeral down to the minutest details. He says that the members of his family and not the Papal government must ask the Italian government for the necessary permis-sion for interment in the Basilica of St. John Lateran. A monumental tomb is ready. It is the work of the famous sculptor, Giuseppe Luchetti, and has cost 300,000 lire, which has all been paid." Pope's Tomb The correspondent had the privilege of viewing it in the sculptor's studio this week. It is a very beautiful work

of viewing it in the sculptor's studio this week. It is a very beautiful work of art. The sarcophagus is surround-ed by a recumbent figure of Leo XIII in full pontifical robes. Guarding the tomb are life-size statues of St. Thomas and St. Francis and also a statue of the Virgin and two angels, all in white Carrara marble. The interment will take place in the early morning with an entire absence of ceremiony. By the Pope's express order the actual coffin in which the
