PENNELL IS ACCUSED. Witness at Inquest Flatly Says Divorce Proceedings Caused Crime.

Buffalo, March 17.-The name of Arthur R. Pennell, who was named as co-respondent in the Burdick divorce proceedings, and who imet a terrible death in Gehre's stone quarry two weeks after Edwin L. Burdick was murdered, constantly came to the surface in the inquest before Judge Murphy to-day.

Charles S. Parke, Burdick's former business partner and close friend, while on the witness stand this afternoon, gave it as his opinion, based upon information and supposition, that Pennell, or a hired assassin, killed Burdick. Fear of disclosures growing out of the divorce proceedings instituted by Burdick against his wife, Parke firmly believed was the motive for the crime. He was associated in business with Burdick for 14 years, and had known him for 18 years. He occasionally visited at Burdick's home. About a year ago he saw Arthur R. Pennell at Burdick's office. At one time Pennell was Burdick's lawyer. Burdick told Parke about the trouble with his wife about Christmas. Mr. Burdick told him he did not blame Mrs. Burdick so much as he did Pennell. He said he had shown him every consideration and that Pennell had promised to get out of town, but had not done so. He said he had lost patience, and the divorce suit was to go on.

"Then the man who made all the rouble was Pennell?" "Did he say he was afraid of Pen-"He said he had been warned to look out for Pennell, but he believed Fennell was a physical coward, and he Pennell was a physical coward, and he had no fear of him.

Burdick had a conference with Pennell in a lawyer's office about the divorce proceedings. "Did he tell you anything that Pennell said at this conference?" asked Mr. Coatsworth.

"He said Pennell had threatened to commit suicide if the suit was not stopped. He threatened to kill both himself and Mrs. Burdick if the divorce proceedings were continued. Burdick

proceedings were continued. Burdick told me he thought the threat was a 'Did you form any opinion as to who committed this murder?" asked District Attorney Coatsworth.

"I do not know when I first expressed that opinion."
Mrs. Gertrude Paine, a close friend of the Pennells and Burdicks, was closely questioned as to the relations between the two families. Dr. Paine was on the stand for a few minutes only.
