SYRIANS PROCLAIM INDEPENDENCE WITH PALESTINE A PART

Beirut, March 8-(Via Constantinople March 15) .- By the Associated Press .-The independence of Syria was pro claimed here today by the representa-tives of the Syrian people. Emir Fisal was declared king, with Palestine part of the kingdom.

The Syrian banner consists of a seven pointed white star placed in the red field of the Hedjaz flag. Two similar stars placed in the same way will compose the pennant of Mesopotamia, which is reported also to have declared its independence with Emir Abysmal as king 80 and Emir Zed as regent. They are the 48½ third and fourth sons of King Hussein. Lebanon has adhered to this program and apparently a sort of Arab federation has been arranged.

Emir Fisal, in accepting the kingship, said he purposed disinterested service.

Why Has the Farm Tractor Industry Grown?

Importations of tractors grew from 477 in 1915 to 19,000 in 1919. Why? Continued shortage of farm labor in the face of need for increased production necessitated labor-savin machinery. There are over 720,000 farms in Canada! 50 per cent could use a tractor with 60 per cent more efficiency; 300,000 tractors needed in
