FILE NO. 1886-W.

March 14, 1925.

Sir,

Your file number: 34001.

In further reference to my letter of December 29 with regard to the proposal to have the British Columbia Water Act of 1924 made applicable to the waters which affect Indian reserves within the Railway Belt, to which you replied on January 9, I shall be glad to know if any decision has been reached by your Department in the matter, as the Provincial Government is anxious to have their Water Act made applicable to the Railway Belt in the same manner as has been done with their previous Water Acts.

Your obedient servant,

J. T. Johnston,  
Acting Director,  
Water Power and Reclamation.
