LOCAL NEWS

AGAIN HIGH
The tide was again very high today. Some of the wharves were washed by it.

FORMERLY TEACHER HERE
Lieutenant Stewart Henry of Salisbury, who recently returned from the front, is in the city today. Prior to going overseas he was on the teaching staff of the St. John High School.

REVIVAL MEETING
Much interest was manifested in the revival in Coburg street Christian church last night. A large chorus led the song service. Miss Mabel Porter sang a beautiful solo before the address by the revivalist, Rev. S. B. Culp, on Love.

POLICE COURT
The sheet read "bill" in the police court this morning. No arrests were made last night. The case of La Serra, an Italian, charged with assaulting a man named Maxwell at the McAvity plant, was allowed to stand over again and the prisoner was released.

A GENEROUS CONTRIBUTION
The Women's Canadian Club of St. Andrews recently held a self-denial day, when the sum of \$225 was realized. This morning a check for the amount was received by R. E. Armstrong, secretary of the British Sailors' Relief Fund, who has forwarded it to the Sailors' Fund, Canadian Navy League, Montreal. This is the second contribution for this worthy purpose that the ladies of St. Andrews have forwarded. Their example is worthy of emulation.

REMEMBERED THE CHILDREN
The late Lieut. George Morrisay was greatly devoted to work among boys. He had a special interest for some years in a boys' club in connection with Stone church, and was always eager to do anything in his power to promote child welfare. Nor were the young people absent from his mind when he went overseas to enter the struggle in which he gave up his own life. Among other bequests he remembered them, and in accordance with his wish his mother has forwarded a check for \$25 to the Children's Aid Society.

A "JACK THE PEPPER"
Several young ladies in a Fairville family were very much frightened last night when about to retire on finding a Jack the Pepper perched on a fence just outside their room window. On search being made the miscreant could not be found as evidently he had made his escape on hearing the young ladies' outcry. Last fall about this time, the same thing happened in Fairville on several occasions. Judging by the remarks made by men who heard of last night's affair the pepper would receive very little consideration if caught.

FRATERNAL VISIT
Portland Lodge, No. 246, Sons of England, gave the members of New Brunswick Lodge, Waterloo street, a surprise last night when they paraded from their own lodge rooms to those of them a call. The members of New Brunswick Lodge were taken unawares but President Thomas, in a few well chosen words, extended to the visitors a hearty welcome. The evening was spent in jovial manner, all taking part in a programme. President Bonnell of Portland Lodge extended an invitation to the members of New Brunswick Lodge to visit them in the near future and his invitation was heartily accepted.

BIG CREW RESTORING
I. C. R. TRAFFIC AFTER
WASHOUTS BY HIGH TIDE

Moncton, N.B., Oct. 2.—By the employment of an enormous number of men the washout between Memramouc and Aulac on the I. C. R. have been bridged over. Between Sackville and Memramouc, traffic was restored last evening and the stalled train from Sackville reached Moncton. This morning traffic was resumed between Aulac and Sackville.

THESE BOYS OF GOOD CHARACTER

In the matter of the four boys brought before the magistrate yesterday morning for singing in Britain street, a fine only struck against the two arrested, and His Honor said that this would be returned if their reputation in the neighborhood was good. The boys say they were in no way gathered at the corner of Britain and Wentworth streets and that they had never stopped there before this summer, it just happening by chance that the night they did stop there should be the night during which the police were on the look-out. The boys have a good character at their places of work, and in the South End generally. Rev. H. A. Cody has addressed a letter to the Times vouching for their good character and steadiness, and it is felt that a mistake has been made in connecting them with rowdies concerning whom the complaints have been made to the police.

BUSINESS AT THE PORT OF
BALTIMORE FALLS OFF

Baltimore, Oct. 2.—Against 103 arrivals of foreign steamers in August there were but eighty-eight in September. There has not been an arrival of a Dutch steamer since and but one Swedish in August. The ships were thirty-five British, two Norwegian, eight Italian and others scattered. American arrivals were thirty-nine steamers and two schooners from foreign ports.

REGINA POLICE THINK
LITTLE OF PLOT STORY

Regina, Oct. 2.—A story gained circulation here yesterday regarding an alleged plot to blow up the parliament buildings. In the general hospital a patient was supposed to have overheard a conversation at a nearby bed. The police place no credence in the story.

STRIKERS BACK TO WORK

San Francisco, Oct. 2.—After having been on strike since Sept. 17 the 3,000 iron workers and other machinists returned to work yesterday in 200 shops in San Francisco and the bay cities, under a tentative agreement for an increase in wages ranging from ten to twelve per cent.

MORE TROUT FOR
THE PARK LAKES

Supply Replenished From the Government Hatchery at Little River

Disciples of Walton will be pleased to learn that through the thoughtfulness of Hon. J. D. Hazen, minister of marine and fisheries, the trout supply in both Lily and the Fisher artificial lakes has been further replenished from the government hatchery at Little River. Yesterday there were carefully distributed in what was thought to be the most advantageous spots in those waters of the St. John Horticultural Association, fingerlings of small trout to the number of 2,000 of the celebrated rainbow and 400 of the speckled variety. These, though not large, are much more likely to survive than the ordinary smaller fry.

Upon the contents of the cans in which the supply was brought being emptied, one fingerling only was observed to be dead. This specimen, about three-quarters of an inch in length, was carefully preserved and sent as a souvenir to a friend of the Canadian Navy League, Montreal. This is the second contribution for this worthy purpose that the ladies of St. Andrews have forwarded. Their example is worthy of emulation.

PROTESTS ELECTION OF
ALBERTA ATTORNEY-GENERAL

Edmonton, Oct. 2.—J. R. McIntosh, defeated Conservative candidate in Edmonton in the recent provincial election, has filed a petition against the return of Hon. C. W. Cross, attorney-general, who was elected by a majority of more than 400. The principal grounds charged are partiality and other improper conduct on the part of election officials.

Dear Mary:—
You ought to have seen how surprised and happy my husband was when he came home last night. Yesterday was his birthday. At breakfast he forgot all about it.

When he came home in the evening I was all toggled out in my loveliest. I met him in the hall, blindfolded him and led him into the living room where I sat him in a big, soft, "cumfy" new easy chair which I'd bought for his birthday present.

Try this on your husband.
