MAY BE LORD BRUNSWICK

London, Dec. 18.—(Montreal Gazette Cable)—Sir Max Aitken's friends think he is glad to leave the house of commons, where, according to the Evening Standard, despite his talents he never made a place for himself; in fact he rarely opened his mouth there. The press generally comments on the meteoric career of the new Canadian peer, and his determined will, which enabled him to push on wherever he desired. The Montreal Gazette correspondent understands that his latest achievement was to firmly establish friendly and harmonious relations between Lloyd George and Bonar Law. For some

weeks back Sir Max occupied the suite next to that of Lloyd George at the war office, and in the evenings he was usually in the company of Bonar Law. It is likely that the new peer will assume the name of Brunswick, in honor of his native province. WARRANT ISSUED FOR ARREST OF VENIZELOS London, Dec. 18.—A warrant has been issued at Athens for the arrest of Eleutherios Venizelos, the former premier, on charges of high treason and of libelling the Greek general staff in articles published in a newspaper several months ago, says a Reuters despatch from the Greek capital.

TAKING UP CANADIAN RAILWAY TRACKS TO MEET REQUIREMENTS IN FRANCE Canada has undertaken to supply, largely from its own excess railway mileage, at least 1,000 miles of rails and other track material for immediate use in France. The call on the dominion is for from 1,200 to 1,500 miles of railway track. Twenty miles has already been taken up on the C. G. R. in the maritime provinces and ready for shipment. 220 miles of track from Edmonton to the Pacific coast will be taken up and, if labor is scarce, soldiers will be put to work on the job.

Knocks Obsolete Coughs in a Hurry

A Simple Home-Made Remedy that Gets at the Cause. Thousands of people normally healthy in every other respect, are annoyed with a persistent hanging-on bronchial cough year after year, disturbing their sleep and making life disagreeable. It's so needless—there's an old home-made remedy that will end such a cough easily and quickly. Get from any druggist "2 1/2 ounces of Pinex" (50 cents worth), pour it into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Begin taking it at once. Gradually but surely you will notice the phlegm thin out and then disappear altogether, thus ending a cough that you never thought would end. It also promptly loosens a dry or tight cough, stops the troublesome throat tickle, soothes the irritated membranes that line the throat and bronchial tubes, and relief comes almost immediately. A day's use will usually break up an ordinary throat or chest cold, and for bronchitis, croup, whooping cough and bronchial asthma there is nothing better. It tastes pleasant and keeps perfectly. Pinex is a most valuable concentrated compound of genuine Norway pine extract, combined with ginseng and is used by millions of people every year for throat and chest colds with splendid results. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded goes with this preparation. The Pinex Co., Toronto, Ont.

Wells, foreman of committee; committeemen, Frank Irvin, Roland Sweet, Gordon Ring, William Belyea; David Hargrove, assistant secretary; lodge trustees, David Wells, Isaac McLeod, John Hersey. John Fillmore was added to the hall trustees.
