PARALYSED! Astounding Cure by Dr. Cassell's Tablets. Utterly Helpless Woman Restored to Health and Fullest Activity. Her "Dead" Limb Made Sound and Well. All Usual Treatment Had Failed, But - In a Dream She Saw Herself Cured by Dr. Cassell's Tablets, Got Some, and - Her Dream Came True.

The cure of Mrs. S. M. Hopkins, of 81, English-road, Shirley, Southampton, England, is one that proves Dr. Cassell's Tablets to be above and beyond any ordinary medicine. Here is her personal testimony: Interviewed recently, she said: "Quite was almost black up to the thigh. How suddenly one day I became helpless. I was out shopping, and all at once my leg gave way under me, and I fell on the street. I was taken home, and I seemed to some extent recovered, but a few days later, as I was struggling upstairs, I fell again, right down the whole flight, and from that time I was paralysed. I had to be lifted in and out of bed, and as I was placed so I lay, Medical treatment did me no good, so I was taken to hospital, where for three months they did everything possible to bring back sensation to my limb. Massage, electricity, and all that proved useless. Everybody thought the leg should be taken off, as the paralysis was creeping up to my body. To all to see me. It was a modern miracle, appearances my leg was dead; there Now I am crer so well; strong and was no feeling in it; I would not have active; and even heavier than before my felt a needle pushed right in, and it illness."

Testimony of The Neighbors. Mrs. A. E. Jackson, of 29, English Road, Southampton, says: "I have known Mrs. Hopkins for a long time. I knew her all through her illness. She was absolutely paralysed, could not move at all, and hospital treatment did her no good. Then she began taking Dr. Cassell's Tablets and soon she was getting about on crutches. The next thing was that she was walking about without crutches. When I went to my door I found several others out to see the wonder. Now she is in splendid health." Mrs. A. A. Lever, English-Road, Southampton, says: "I remember Mrs. Hopkins when she was quite paralysed. She was taken to hospital, and I certainly thought she would never come out alive. Now to see her so strong and healthy is quite astonishing. She is as active as ever." DR. CASSELL'S TABLETS. Merit has won for Dr. Cassell's Tablets the largest sale of their class in Great Britain.
