COMING HOME**

Department Sees Fewer
Leaving Country for
United States
5,000 Come Back in Month;
2,000,000 Visitors Set
Tourist Record

OTTAWA, Oct. 5.—The following statement was handed out today by the Department of Immigration:
"Canadians continue to return to Canada from the United States in large numbers. Although September returns are not yet complete, it is estimated that in that month alone 5,000 Canadians who had been resident in the United States for more than six months returned to Canada, declaring their intention of remaining permanently in this country."
"In the same period about 1,800 persons entered Canada from the United States as immigrants, largely of the agricultural class, and bringing with them cash and effects with which to begin farm operations in Canada."
TOURIST TRAFFIC HUGE.
"Some idea of the traffic in tourist and non-immigrant classes is gained from the fact that it is estimated that in September 2,000,000 persons of these classes entered Canada from the United States."
"While the movement to Canada is increasing, the movement of Canadians to the United States is falling off very sharply."
EXODUS REDUCED.
At one of the principal boundary ports the Canadians, both native born and naturalized, admitted to the United States during the fiscal year ended June 30, 1924, numbered 28,890. For the fiscal year ended June 30, 1925, the number of Canadians admitted to the United States at the same port numbered 14,708—a falling off of practically 50 per cent.

**Dr. D. H. McAlister Chosen
Liberal Party Candidate
In Constituency of Royal**

Councillor John E. McAuley, of Studholm, Offers Support
—Only One Name Placed Before the Convention at Sussex

SUSSEX, N. B., Oct. 5.—Dr. D. H. McAlister, of this town, was chosen standard-bearer for the Liberal party in the electoral district of Royal at a largely attended meeting held in the Imperial Theatre this afternoon. The nomination, which was made in open convention, was moved by G. King, of Chipman, and seconded by Lieut.-Col. O. W. Wetmore, of Clifton, and no other name was offered to the convention.
Dr. McAlister in his acceptance thoroughly went into the fight. When he ran Independent in the recent provincial election his real support was from the Liberal party, he said. He had fought the election as a Conservative party for 40 years but as a result of happenings in the last election he felt it was high time to help those who helped him. He had supported George B. Jones in 1921 and was in some measure responsible for his victory. In this election he would in some measure help to be responsible for his defeat, he affirmed. Some would say McAlister was bought by the Liberal party but if he had been for sale he could have sold out to some of the gentlemen. He was taken over to Queens county by the late Conservative party. He was a good purchase ground but the manipulators found that they could put nothing over on him, he said. In comparing Premier Mackenzie King's policy with that advocated by Mr. Meighen, he felt that Premier King's was right and that was the reason that he was going to stand up behind and give his hearty support to the election of Dr. McAlister. He would elect Dr. Foster.
HON. DR. FOSTER.
Hon. Dr. Foster wished to assure those present that it afforded him great pleasure to address a Kings county audience. He had been a resident of Kings county for six months in the year for nearly a quarter of a century and his forefathers were buried in Kings county. Dr. Foster said that the question of increased tariff was a very important one. He asked if the people of Canada were burdened by increased tax. Four years of government under Mackenzie King had decreased taxation but the edge of the wedge had only yet been inserted. He pointed out that the Meighen Government had made Portland, Me., the winter port of Canada but that the Liberal Government was going to do this by providing better port facilities at Saint John and Halifax and using the C. N. R. He explained that his position in the cabinet, while not one that carried a lot of patronage with it like that of public works and others, would afford him many opportunities to help out as he knew the requirements of New Brunswick and Canada.

THANKS ELECTORS.
Dr. McAlister thanked the convention for the honor it has conferred on him. He said it was not so great an honor now as it used to be as different tactics were now employed to those of a quarter of a century ago. If a man now desired to have his pedigree from A to Z and that of all his relatives, all he had to do was enter politics. If this election had been looked on as an easy victory, there would have been lots of candidates in the field but when the fight seemed a bit hard candidates were not so plentiful.
PROUD OF LEADER.
He said he was proud to fight a campaign under the leadership of the Hon. Dr. W. E. Foster, a man whom he had known for many years and for whom he had the utmost respect and confidence. Dr. McAlister charged the Conservative party with trying to make political capital by harping on the exodus to the United States from Canada. The doctor said that the United States had come into the world two years after Canada and the neighboring republic instead of losing by the war had profited and had accepted in practically all the gold in the world. As a result there was a big boom there after the war and the crafty Canadian was not slow to take advantage of it. On account of the business depression in this country caused by the reaction after the Great War activities, Times would gradually get better in Canada and many boys and girls that crossed the line would return again, he said. This applied particularly to the Maritime provinces after all was said and done there was no place like home for our true Canadians.
JOHN E. MAULEY.
John E. McAuley, when called on by the chairman to address the convention, said he wanted to just make a few remarks that the electors might realize.

**SOCIAL MARKS
82ND BIRTHDAY**

Happy Time is Enjoyed at
Event of Ludlow Street
Church

Tableaux Prove Very Enjoyable and Whole Programme Very Interesting.
The Ludlow street United Baptist church celebrated its 82nd birthday with a congregational social in the vestry of the church last night. It was held under the auspices of the social committee assisted by the reception committee of the church and an excellent informal programme was greatly enjoyed. Rev. W. A. Robbins, the pastor, was the chairman and after his opening address every one joined in the singing of "Blessed Be the Tie That Binds" "Father Time" impersonated by T. B. Brown, was then introduced. Mrs. W. A. Robbins recited

Longfellow's "The Psalm of Life." A proverb guessing contest followed. The proverb was "A Wise Son Makes a Glad Father," and it was correctly guessed by Miss Marjorie Roxborough and Pleman Haman.
Ronald Hamilton gave the story without words, the title of which was another proverb, "It is a Poor Workman That Complains of His Tools."
The different stages of life were shown in tableaux which had musical accompaniment. In the first tableau of mother and infant, Mrs. William Burnett was shown with her infant son and the audience sang "Rock-a-bye Baby." Miss Opal Grey and Donald Belyea gave the "School Days" tableau as "School Days" was sung. For the tableau of "Youth" Miss Ada Carvell, Miss Saddle Durke, Ronald Cheyne and Prescott MacLean appeared and sang "Juvenilia." In a "Bridal Group" tableau Miss Saddle Durke was bride and Carl Robbins was groom and Rev. W. A. Robbins was the minister. In the group "Old Age" Mrs. George Price and Deacon John F. Ring, the two oldest members of the congregation appeared. The hymn, "Just As I Am" was sung and after a portion of the 8rd chapter of John had been read, Deacon Ring offered prayer.
At the final tableau of the series those taking part in all of the tableaux formed a "Happy Family" group

everyone joined in singing, "Home Sweet Home."
While the ladies served refreshments there was a general sing song of popular airs. Later Miss Read Wayne gave two much enjoyed readings.
The committees in charge were: Social committee, Mrs. T. B. Brown, Mrs. George Belyea, Mrs. F. Roxborough, George Belyea and Rev. W. A. Robbins; reception committee, Mrs. Frank Cheyne, Mrs. John Haman, Mrs. William Grey, Mrs. J. J. Merryfield and Mrs. R. J. White. The church had been very tastefully decorated by the ladies of the two committees.
