U. S. Steel and U. S. Realty Make Gains of One Point Each.

DOMINION BRIDGE IS ACTIVE IN MONTREAL

National Breweries Gets Attention But Slumps Nearly Two Points.

NEW YORK, April 24. — Stock prices displayed a firm tone at the opening of today's market. U. S. Steel common advanced a point in reflection of the favorable quarterly report of the Bethlehem Steel Corporation, which was believed to foreshadow a good report by the older company next week. U. S. Realty advanced a point, and International Nickel moved up half to a new 1925 high at 20 1/2. Maxwell Motors B. fell back 1 1/2 points.

MONTREAL, April 24. — Dominion Bridge featured the opening of today's stock market by being the most active issue and advancing two to 38, after opening unchanged at 36. National Breweries also received attention, by proving the weak spot, ending 1 1/2 to 80 1/2. Next in activity came Atlantic Sugar, which was strong by a quarter at 25 1/2. Shawinigan sold the same at 136.

Brokers' Opinions

NEW YORK, April 24.—Houseman & Co.—"For general market we expect some further expansion of the rally and advise concentration on Motors, Tires and Oil."  
Tobey and Kirk—"Money is easy enough and investment buying is appearing to support prices of good issues."  
Merrill Lynch—"Trading opportunities are plentiful and we would take advantage of the market developments, having in mind, however, to reduce long commitments rather than to add to them on days of strength. Individual railroad stocks are still being sought by important people."  
Block Maloney—"The market will have many good trading opportunities if one will follow the rule of buying high grade issues on drives."

Morning Stock Letter

NEW YORK, April 24.—For the time being the market seems to be almost entirely in the hands of professionals. Public participation has been reduced to very small proportions. Pools are working with confidence and appear somewhat successful. This is true of the pool in Maxwell's. Mack Truck was strong yesterday, its advance being due to persistent stories of very large earnings. Weakness of Alton common and preferred was on selling by frightened holders who fear re-organization will be of a very drastic character. Weekly reports of the Federal Reserve Bank do not indicate tight money is probable in the near future. Buying of Western Union for some days past has been of very excellent kind and accompanied by pending distribution to stockholders, in the form of a stock dividend.  
There have been several attempts lately to buy the copper shares, but domestic buyers remain large.  
LIVINGSTON & CO.

Current Events

NEW YORK, April 24.—N. Y. Federal Reserve ratio 17 1/2 against 18 1/2 last week, and 50.8 last year. System, 76.5 against 76.4 and 81.6.  
Yellow Cab Mfg. earned \$1 a common share in 1924, against \$1.50 in 1923. Reported Anglo-American Oil will declare \$2 1/2 per cent stock dividend. Nickel Plate March surplus after charges, \$700,000. Against \$700,000 in 1924.  
A number of steel products have declined in last week.  
Pittsburgh, down \$2 per ton.
