Life Association of Scotland.

NINETEENTH REPORT.

THIS Nineteenth Annual Meeting of the Association of the Life Association of Scotland, was held on the 31st August current, in the Chamber and Act of Parliament—St. James' Palace, Edinburgh, in the City.

There were admitted to the Meeting the Annual Report by the Directors on the Progress of the Association, and the Report of the Auditors, Mr. W. Woodhouse, and Mr. J. H. Brown, of Glasgow, of the Accounts ascertained in terms of the Act of Parliament, with other statements of the affairs, as at the 31st August, the date of the balance.

Notwithstanding the general depression of confidence, the progress of the Association during the past year has been greater than in any former year, with only one exception.

The applications for new Life Assurances during the year were 1217 for £666,183 of which the Directors have 1030 for £55,371. The Annual Premiums being 18,811. Amounting on 24 lives were purchased for £575, 9s. per annum, at the price of £947, 7s.

The Policy that claims on the Association for the year 1858, have been paid for £1,000, being collected through the London branch, being collected through the London branch.

The Total Advances since the commencement of the business, amount to nearly FIVE MILLION POUNDS.

The Annual Income is now OVER ONE HUNDRED AND THIRTY THOUSAND POUNDS, and the Total Assets of the Association, being collected through the London branch, amount to nearly FIVE MILLION POUNDS.

The Policy Holders entitled to participate in the Profits, who completed their fifth year, before the date of balance, will be entitled to a Reduction of 35 per cent. (7s. per £1) from their most Annual Premiums.

From the increasing wealth and importance of British North America, as well as the example of other Assurance Offices, the Directors have some time determined the idea of establishing Branches there. They have now established three, and are endeavoring to accomplish this. An expedition from the Directors visited the chief towns, and secured the co-operation of influential gentlemen in each Province. Although the Branches have been in operation only for a few months, the transactions have already been considerable, as well as of a most satisfactory description. Special thanks are due to the gentlemen acting as Directors, Agents, and Medical Officers, who have already interested themselves much in the Association's affairs, and through whose exertions there is every prospect of permanent success.

The Report of the Board of Directors was unanimously approved. The vacancies in the Board were then filled up; and after special votes of thanks to the Directors at the Head Office and Branches, and the Agents, Medical Officers, Manager, &c., the Meeting separated.
