BLACK'S LEAD IN BOWLING RESULT OF YESTERDAY'S PLAY --- A LEAGUE DOUBLE HEADER

The Brunswick-Balk Colander trophy tournament opened on Black's alleys yesterday morning and was continued all day. There was considerable interest taken in the games but there was much disappointment on account of the Halifax and Moncton teams not putting in an appearance. The teams were both entered and said they would be on hand yesterday morning, but they only failed to come but did not send any word regarding their dropping out of the tournament.

The struggle is between the Fredericton team, two teams from Sussex, Black's and the Victoria. The failure of Moncton and Halifax to participate caused considerable trouble in the rearrangement of the schedule.

The tournament commenced at 11 o'clock yesterday morning between the Uniques and Institute teams of Sussex. The games were closely contested and resulted in a victory for the Uniques, by a score of 1181 to 1171.

FIGHTERS ARE NOT ADMITTED

The Canadian Government has way to carry out the Dominion laws against prizefighters will be to keep all prizefighters out of the country as undesirable.

This idea, which appears, was started, when it was decided to keep out Jack Johnson, not simply because he was a prizefighter, but on general principles. The idea has now been broadened, and those who are engaged in prizefighting, or anyone engaged in prizefighting, are classified as undesirable. Reilly, it is stated, must obtain permission from the Superintendent of Immigration at Ottawa.
