## Hostel Executive Committee Met

Opinion of Meeting Yesterday That Hostel Should be Home for St. John Girls as Well as Those from Overseas.

That the Hostel on Britannia Street should be opened as a home for St. John girls as well as those coming from overseas was the opinion of the executive of the Hostel Committee which met at the residence of Mrs. H. A. Powell last evening. It was decided that on this decision being ratified by the general meeting, partitions will be put up dividing the large room upstairs into a number of small rooms and the Hostel will thus serve some of the boarding problems for St. John girls and others coming to this city. The room fitted for the reception of overseas girls will remain, and the Hostel will continue its usefulness as a place for girls and women who are passing through the city or for those who live in St. John. It was stated by Mrs. Lawrence in answer to questions regarding the number of overseas girls who had stayed in New Brunswick that this Province had had six girls in the nineteen which had come, and that this number was in fair proportion to those received by British Columbia, Quebec and other provinces. Ontario had the largest number, but Ontario had offered every encouragement and is well known overseas.

The resignation of Mrs. J. J. Gordon as Matron was regrettably accepted, and it was decided that a working housekeeper would be engaged for the summer if a suitable one could be found.

## GOOD CONCERT IN SEAMEN'S INSTITUTE

Without a doubt one of the best concerts of the season was put on last night at the Seamen's Institute by the Scandinavian Jazz Band under the leadership of W. Rodgers.

This able company of entertainers were unable to put on a concert on their last visit to St. John as their boat sailed earlier than was anticipated. They promised to make up for it by an extra good show on their next and farewell visit and they certainly kept that promise last night.

The hall was filled to capacity, and the witty waltzes of the end men as well as the musical numbers of the "Jazzists" never failed to please the large audience. The programme follows:

Selection—Jazz Band.  
Humorous Song—C. Jones.  
Comic Song—J. Shaw.

## AFTERNOON TEA AND CANDY SALE

Junior Branch of the W. A. Held Successful Tea and Sale at St. Paul's School House Yesterday Afternoon.

Very enjoyable and successful from a financial point of view was an afternoon tea and candy sale given yesterday afternoon by the Junior Branch of the W. A. The affair was held at St. Paul's School House, under the direction of Mrs. A. B. Cornell who is superintendent. The reception committee was Miss Helen Lambert, Miss Helen Allison, and Miss Florence Paddington. A candy table in charge of Miss Hlevner was well patronized.

A unique feature was that ties had been made and sent out to a number of persons while the members of the Auxiliary wore aprons matching the ties. Partners for afternoon tea were found by matching aprons and ties. The sum of \$40 was raised for Missions and the young people are to be congratulated upon the creditable and pleasant entertainment.

## THE SPIRIT OF THE BIRCH.

I am the dancer of the wood,  
A shimmer in the solitude,  
Men call me birch tree, yet I know  
In other days it was not so.  
I am a dried slim and white,  
Who danced too long one summer night.

And the dawn found and prisoned me,  
Captiv' I moaned my liberty.  
But let the wood winds flutes begin  
Their eld music, faint and thin,  
I sway, I bend, retreat, advance,  
And averture I dance! I dance!

—Arthur Ketchum.

## Saskatchewan Will Give Equal Pay

Public School Teachers in That Province to be Highest Paid Members of Profession in Dominion.

The following article from the Editorial page of Everywoman's World contains a suggestion for New Brunswick:

Saskatchewan did much to alleviate the need of teachers when it passed the resolution at the recent convention of the Saskatchewan Teachers' Association providing for equal pay for women and men doing the same work.

The minimum will be \$1,200 per year for second-class teachers and \$1,400 per year for first-class teachers. The maximum has been removed entirely, making it possible for trustees to pay any salary they desire to competent teachers should they desire to stay in the profession. Three years' experience was deemed to mean three years in one school and, taking these things into consideration, the new standard schedule to be adopted throughout the Province will be as follows: Second-class teachers, minimum \$1,200 per year, increasing \$100 each year for five years, at the end of which time the trustees can pay more if they so desire. First-class teachers, with three years' experience, \$1,400 per year minimum, increasing at the rate of \$100 per year until \$2,000 has been reached, when the trustees can pay more if they so desire in order to retain the services of the teacher. University graduates, minimum \$1,700 increasing \$100 per year, until \$2,400 has been reached.

This scale will make public school teachers in that Province the highest paid members of the teaching profession in the entire Dominion. Why, oh why, won't New Brunswick and other delinquents follow Saskatchewan's lead?

## THE PLAGUE OF PIMPLES

Body Covered With Them.

The primary cause of pimples arises from the blood not being in a good condition. When the blood becomes impure you will find that pimples will break out all over the body, but more particularly on the forehead, nose and chin, and although they are not a dangerous trouble they are very unsightly. What you need when pimples or boils break out is a real good blood purifying medicine such as Burdock Blood Bitters.

This preparation has been on the market for over 40 years and is the most reliable remedy for all troubles arising from a bad condition of the blood. It removes all the impurities from the system, and will leave a clear, healthy skin.

Mr. Emerson G. Goodwin, Cambridge, N. B., writes:—"For nearly two years I suffered from boils and pimples on my face and neck, and nearly all of my body was covered with the pimples. I tried most everything, but got no relief. One day a friend advised me to try Burdock Blood Bitters, and after using three bottles the pimples and boils had all left me and there is no sign of them returning. I can strongly recommend B. B. B. to any one who is troubled with skin disease." Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
