THE METHODIST CONFERENCE.

Election of Officers-Reports of Connectional Funds--Missionary Meeting.

Fredericton, June 20—At the Methodist conference this morning, Rev. Dr. Carman, general superintendent, delivered an inspiring opening address.

Rev. Mr. Damiel, who 40 years ago was a minister in this conference and is now back from India, was introduced and addressed the conference briefly.

The election of officers resulted in Rev. Geo. W. Fisher being elected president on the first ballot and Rev. A. D. McCollough secretary also on the first ballot. Both newly elected officers addressed the conference briefly in a very happy manner. The afternoon session was presided over by Rev. Dr. Carmen.

The statistical committee showed a net gain of membership for the conference of 205. The connectional funds raised durring the year were: Missionary, \$6,950; education, \$1,198; contingent, \$4,333; general conference, \$303; Union Church results in the line is crossed by the grand the with which the district abounds, and must have been a gigantic undertaking. Experiment at Illinois Steel Company's Furnance Means Big Saving if Successful.

Chicago, June 20-For four days and nights relays of chemists, engineers and steel blast furnace at Bridgeport, where an experiment is going forward in the coking of ordinary western bituminous coal by the Leiter process. The test it is generally believed will show that Illinois and Indiana coke at less than \$1 a ton can be used here to make pig iron, instead of Connellsville coke at \$5.14 per ton. The steel men of the west have long been sceptical of the Leiter process, but recently the Illinois Steel Company decided to give it a trial. In the test Connellsville and Illinois coke were first mixed in the proportion of 90 per cent. of the the amount of Illinois was increased until
