Dear Sir.—I have suffered for fifteen months with Chronice Rheumatism, and could not finany relief, after try ag every medicine that I saw advertised to cure it, until I was told about the Diamond Rheumatic Cure. I have used three bottles of this valuable remedy, and now can say that I am another man to what I was. I would advise anybody suffering with this terrible disease to to try it, and see if it does not do the same for them that it did for me.

111LYARD & RUDDOCK. Life by the Camp Fire STILWELL & GOGGIN, A writer in the St. Louis Globe comes to the conclusion that the superstitious reverence in which grammars are held is unaccountable. They are obscure and unpretending works, intended for the guidance of the infant miad, compiled by pedagogues unknown to fame, resting on no assured basis; and yet the arbitrary rules in which they attempt to formulate the structure of a language take their place in the popular mind immediately after the decalogue.

They are a little over an inch long, and the fingers, nails and joints are perfectly formed and in exact proportions. Between thumb and the forefinger of each hand is held in the most dainty and graceful manner a tiny red rose. The cuffs are fastened with sleeve buttons, and above the cuffs, in eách, is a small piece of black ivory, representing the dress ou the arms. In these there are golden rings or staples, so that they may be worn as charms on a watch or as ornaments for the ears.
