REIGN OF TERROR NOW PREVAILS IN HAITI

President Nord Alexis Threatens Wholesale Massacre if Attempt is Made to Depose Him—Destitution Rampant

-More than three weeks have elapsed since the savage shooting of political prisoners, variously estimated at from 27 to 48, sent the warships of four nations skurrying to Port au Prince. Their arrival put the seal of security on the lives and property of foreigners, and since then at least outward tranquility has prevailed.

While there have been many arrests of natives suspected of sympathy with the late revolution and political prisoners continue to be brought in in batches from interior points, there have been no more public shootings. In-deed the government denies that any more executions have taken place. This, however, is incredible in view of the fact that many persons are known to have been dragged from their beds at night and that all trace of them has
