

Our representatives are now showing full range of

# Domestic and Imported Fabrics

FOR FALL.

These goods have been bought at bottom figures. Many lines have already advanced, and, as stocks have been depleted, both at retail, wholesale, and in manufacturers' hands, we advise our friends to place their orders early. The goods cannot go lower, and early buyers will be sure of satisfactory delivery before market is bare.

All the indications are that Country Merchants will have a satisfactory trade during the balance of 1895.
