HARRIERS THIRD IN CANADIAN CHAMPIONSHIPS

The UNB Harriers placed third behind the University of Toronto and the University of Saskatchewan in the Canadian Intercollegiate Cross Country Championships. The meet was held last Saturday over a 5.6 mile course at Guelph, Ontario. Considering that the

calibre of competition was equal to that anywhere in the world, the Harriers have every right to be pleased with their performance.

Individual winner in the meet was U of T's Dave Bailey, the first Canadian to break the 4 minute mile. Every

UNB runner improved upon his time, some by as much as 3 minutes.

The first UNB runner to cross the finish line was Wayne Stewart. Stewart finished a very respectable sixth in his first intercollegiate meet at a national level.
