Dear Sir:

Re: N.E. 1/4 24-20-15 West 2nd. Your file 360 260-

In November, 1914, we forwarded to you a transfer to be noted in your books covering 7.46 acres taken for right of way through the above quarter section. This was held up at the time as there was a balance of \$61.04 owing under this agreement from Joseph R. Miller. We have never been notified if patent to this portion has issued in the name of the G.T.P. Branch Lines Company and would ask you to kindly let us know if this has been done and, if not, what you will require further before we can obtain our title.

Yours truly,

Solicitor.
