Imme...

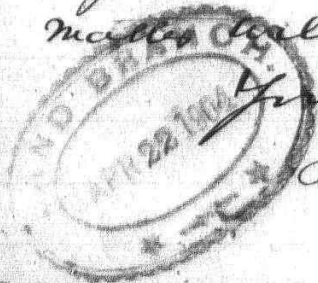

New Glasgow, N. S., April 20, 1904

Dear Sir,

What about the land that
was to be bought for the Indians?
The money was voted, it is said.
This is the time to have the title
transferred, before the farming
operations begin. If the land
is to be of any use to the Indians
this year, they must be given possession
at once. How is this land when
purchased to be apportioned & by
whom?

Your early attention to this
matter will oblige

Yours truly

J. D. McLeod
